

Badge Title & Details	Activity at the Park	What You'll Earn
<p><b>Courageous and Strong</b> Daisy (Grades K-1)</p> <hr/> <ol style="list-style-type: none"> <li>1. Talk about "Tula's Story"</li> <li>2. Make an art gallery celebrating women who are courageous and strong</li> <li>3. Practice being courageous and strong</li> </ol> <p>When I've earned my Tula petal, I will know how to be courageous and strong, just like Tula the Tulip.</p>	<p>Before your visit: Discuss Tula's Story with your troop.</p> <p>At the Park: We will complete a short tour of the museum, focusing on the story of the women packinghouse workers who helped the citrus industry to grow and the story of Eliza Tibbets, the woman who started the citrus industry by planting the first navel orange trees in her Riverside yard. The museum staff will have images of these and other women, as well as craft supplies ready to complete the "art gallery" collage. Finally, we will talk about how we can practice being courageous and strong (while snacking on oranges and other citrus fruits from the groves).</p>	
<p><b>Respect Authority</b> Daisy (Grades K-1)</p> <hr/> <ol style="list-style-type: none"> <li>1. Talk about "Gerri's Story"</li> <li>2. Visit someone who has authority in your community, such as a police officer, firefighter, or your school principal</li> <li>3. Practice respecting authority</li> </ol> <p>When I've earned my Gerri petal, I will know how to respect authority, just like Gerri the Geranium.</p>	<p>Before your visit: Discuss Gerri's Story with your troop.</p> <p>At the Park: We will complete a short grove tour and discuss the importance of respect in California State Parks. The program will be led by Park Rangers, who will chat with scouts about why we have rules and guidelines to follow in the park, and how we can keep everyone—humans, animals, and plants—safe by respecting authority.</p>	
<p><b>Eco Learner</b> Daisy (Grades K-1)</p> <hr/> <p>Nature gives us many gifts—now learn some ways to give back by protecting nature.</p> <ol style="list-style-type: none"> <li>1. Be prepared to protect nature before you go outdoors</li> <li>2. Keep living things safe when you walk in nature</li> <li>3. Learn how to protect nature from trash</li> </ol> <p>When you've earned this badge, you'll have learned three ways to protect the environment when you go outdoors.</p>	<p>Using the California State Parks Litter Getter handbook, we will complete a short grove tour while discussing the ways in which we can protect nature and keep living things safe, especially from trash. At the end of the tour, we will discuss what we learned while snacking on oranges and other citrus fruits from the groves.</p>	

Badge Title & Details	Activity at the Park	What You'll Earn
<p><b>Snacks</b>  <b>Brownie (Grades 2-3)</b>  Make great snacks for yourself and your friends. When you eat them, they'll give you the energy to think, hike, run around, dress up—and do all the other activities you love to do.</p> <ol style="list-style-type: none"> <li>1. Jump into the world of snacks</li> <li>2. Make a savory snack</li> <li>3. Try a sweet snack</li> <li>4. Snack for energy</li> <li>5. Slurp a snack</li> </ol> <p>When I've earned this badge, I'll know how to make yummy snacks for my family and friends.</p>	<p>Participants will enjoy a guided tour of the groves, and return to the back patio of the museum to sample citrus varieties and discuss the importance of keeping your body well-fed throughout the day by enjoying healthy snacks. Using oranges and other citrus fruits from the groves, we will end by making a savory snack, a sweet snack, and orange juice.</p>	
<p><b>Bugs</b>  <b>Brownie (Grades 2-3)</b>  Bugs help us in lots of cool ways. Explore the world of bugs and learn more about these little creatures that do so much.</p> <ol style="list-style-type: none"> <li>1. Draw a bug poster</li> <li>2. Try a bug craft</li> <li>3. See bugs in action</li> <li>4. Explore bug homes</li> <li>5. Take a bug field trip</li> </ol> <p>When I've earned this badge, I'll know all about bugs.</p>	<p>Participants will enjoy a guided tour of the groves, with an emphasis on the many bugs who live here in the park. We will discuss how some bugs help the citrus trees, and how some hurt them. Not only will we see bugs in action and in their homes, we will end by playing “Pummelo Bowling Goes Viral,” a game where the goal is to knock out as many citrus pests as you can using a pummelo!</p>

<p><b>Senses</b>  <b>Brownie (Grades 2-3)</b>  .....  You have five senses that work together to let you see, hear, smell, taste, and touch the world around you. Try all five in this badge!</p> <ol style="list-style-type: none"> <li>1. Look around</li> <li>2. Listen to the world</li> <li>3. Put your nose to work</li> <li>4. Take a taste test</li> <li>5. Touch and feel</li> </ol> <p>When you've earned this badge, you'll know how you use your five senses to explore the world.</p>	<p>Participants will enjoy a guided tour of the groves, with an emphasis on seeing, hearing, smelling, and touching and feeling many of the trees, plants, and other creatures that live here in the park. We will end by completing a citrus sampling of several varieties that grow here in the park.</p>	
<p><b>My Family Story</b>  <b>Brownie (Grades 2-3)</b>  .....  Every family has stories. It's good to share them so you know who helped make you who you are. Do this badge to find out more about the people you love and who love you. That's your family!</p> <ol style="list-style-type: none"> <li>1. Explore family stories</li> <li>2. Know where your family is from</li> <li>3. Make a story tree</li> <li>4. Find an object that means something to your family</li> <li>5. Share your family story</li> </ol> <p>When I've earned this badge, I'll know how to tell my family story.</p>	<p>Participants will enjoy a guided tour of our new exhibit, which features many local family stories of citrus. We will talk about the importance of family and family histories while sharing our own family stories through an interactive activity.</p>

<p><b>Staying Fit</b>  <b>Junior (Grades 4-5)</b></p> <hr/> <p>You need a fit body and mind to do all your favorite things, from roller skating to writing in your diary to sharing advice with friends. Jump into this badge to figure out what fitness, food, and fun you need to stay strong for life.</p> <ol style="list-style-type: none"> <li>1. Start moving!</li> <li>2. Keep your fit body fueled</li> <li>3. Know how to stress less</li> <li>4. Get the truth about health</li> <li>5. Help your family stay fit</li> </ol> <p>When I've earned this badge, I'll know what I need to get strong and stay that way.</p>	<p>Participants will enjoy a guided tour of the groves, and return to the back patio of the museum to sample citrus varieties—moving and fueling your body at the same time! After the tour, we will return to the back patio to talk about stress management as well as other ways to keep your mind and body healthy. Before you go, we will look at a map of the park together to come up with a few ideas of where you might bring your family on a walk or bike ride to help keep them fit too!</p>	
<p><b>Trees</b>  <b>Cadette (Grades 6-8)</b></p> <hr/> <p>Grab your naturalist hat and get ready to get to know trees—from the shade to the science, the fruit to the forest, and the legends to the lumber. To know trees is to love them.</p> <ol style="list-style-type: none"> <li>1. Try some tree fun</li> <li>2. Dig into the amazing science of trees</li> <li>3. Make a creative project starring trees</li> <li>4. Explore the connection between people and trees</li> <li>5. Help trees thrive</li> </ol> <p>When I've earned this badge, I'll have gone to the root of what trees are all about -- and branched out as a naturalist.</p>	<p>Participants will enjoy a guided tour of the groves where they will learn about grafting techniques, examine root stocks, and learn more about the amazing scientific feats that went into creating the citrus industry we know and love today. By picking the fruit from the trees correctly during your tour, you will learn about how this facilitates new growth for following years. After the tour, you will walk through the visitor center to learn more about how citrus trees have affected people's lives throughout history. Finally, we will end on the back patio of the visitor center with a creative project (while snacking on oranges and other citrus fruits from the groves).</p>
